Stages

Shooters will shoot from a shooting box 10 to 15 yards from the steel. Hand position for all stages will be the surrender position with wrists above shoulders. Number of targets will vary from 3 to 10. Shooters will shoot each stage twice.

Stage 1: The "W"

9 targets set up to form a "W" from 10 to 14 yards. Full size pepper poppers

Shooters will start standing in a box facing downrange, hands in surrender position. On signal, draw and engage targets. Stage fired twice. Time is your score. All targets must be down.

Stage 2: The Bowling Alley

10 targets set up to form pins on a bowling alley from 10 to 13 yards. Full size pepper poppers.

Shooters will start standing in a box facing downrange, hands in surrender position. On signal, draw and engage targets. Stage fired twice. Time is your score. All targets must be down.

Stage 3: The Plates

6 targets at 10 and 15 yards. 8 inch steel plates, fired in two strings.

Shooters will start standing in a box at 10 yards, facing downrange, hands in surrender position. On signal, draw and engage targets. Stage fired once. Time is your score unless shooter is still shooting at 30 seconds at which time the shooter will cease firing. The 30 second time will be the shooters score.

Shooters will start standing in a box at 15 yards, facing downrange, hands in surrender position. On signal, draw and engage targets. Stage fired once. Time is your score unless shooter is still shooting at 30 seconds at which time the shooter will cease firing. The 30 second time will then be the shooters score.

Stage 4: El Presidente'

3 targets at 10 yards.

Shooter will start in box facing up range, toes touching back of box, hands in surrender position. On signal, turn, then draw and engage each target with only two rounds each. Perform a mandatory reload and engage each target again with only two rounds each. Stage shot twice. Time is your score. Penalty for each miss is 5 seconds.

Stage 5: The "V"

6 targets set up to form a "V" from 10 to 14 yards. Full size pepper poppers.

Shooters will start standing in a box facing downrange, hands in surrender position. On signal, draw and engage targets. Stage fired twice. Time is your score. All targets must be down.

Stage 6: Hi-Lo

6 targets, 8 inch steel plates, at 10 to 12 yards. Target height is 1 and 3 feet.

Shooters will start standing in a box facing downrange, hands in surrender position. On signal, draw and engage targets. Stage fired twice. Time is your score. All targets must be down. If a target is turned sideways, a range failure is called and the shooter must reshoot the stage after it has been reset.

Stage 7: Staggered

6 targets, 2 at 10 yards, 2 at 12 yards, 2 at 14 yards. Full size pepper poppers.

Shooters will start standing in a box facing downrange, hands in surrender position. On signal, draw and engage targets. Stage fired twice. Time is your score. All targets must be down.

Stage 8: Mix-Up

6 targets, 3 USPSA poppers and 3 Bianchi poppers, set in a line down range, alternating Bianchi - USPSA, from 10 to 15 yards.

Shooters will start standing in a box facing downrange, hands in surrender position. On signal, draw and engage targets. Stage fired twice. Time is your score. All targets must be down.

ALL targets will be calibrated with American Eagle 9mm, 124 grain full metal jacket ammunition.

Any target left standing, other than on Stage 3 (the Plates), will be assessed a penalty of 30 seconds per target standing.
