

We will update the calendar frequently so check back often. USPSA matches also typically consist of four/five courses of fire, one of which will be a classifier. Trap and skeet practice depends on the wishes of the squad, with opportunities to shoot singles, handi-cap and doubles. **Due to possible weather conditions shooters that are interested in attending a match should call ahead.** Also, be sure to check the starting times as they change with the seasons. If you have any corrections, additions, etc., please send to Reg Phillips at [regs.phillips@dteworld.com](mailto:regs.phillips@dteworld.com)
